Student Safari to Expo

by David R. Geddes.

Nearly nine months of planning preceded the recent journey of 35 students from Paul Kane High School to Expo '67. The participants were: Boys - Rick Bauman, John Blackie, Danny Cornwell, Nell Conley, Fergus Evans, Eric Gordon, Barry Ladell, Stephen Laird, Arne Ostergard, Gary Scott, Timothy Styles, Craig Taylor, Girls - Laura Anderson, Valerie Bender, Linda Brindle, Carla Buick, Terri Ferguson, Jean Gannon, Lian Holman, Lynn Hopkins, Linda Kennings, Helen Koroluk, Candace Lantinga, Tricia Linden, Margaret Moar, Mieke Opderheyde, Margot Ostergard, Lois Peacock, Margaret Peat, Foley Penrose, Kathleen Richardson, Trudy Tomash, Elaine Tompten, Cathy Wilson, and Wendy Wright.

The supervisors for the trip were: Mr. R. Fairbairn of 410 - 11005 - 98th Ave., Edmonton; Mr. D. Geddes of 7 Bernard Drive, St. Albert and Mrs. P. Koroluk of 6 Balmoral Drive, St. Albert.

The idea of providing

camp facilities, available to students from all over Canada to visit Expo, developed from a Centennial project of the staff at Elmvale High School in Ontario. The week our group spent in camp at Mont St. Hilaire, Quebec there were several hundreds of other young people there. Most of the campers came from Western Canada, particularly Edmonton.

The camp itself could only be classified as 'fair' accommodation. We arrived after midnight and the huts were overcrowded to the point where our girls spent the first night sleeping in the camp store. The buildings were army-type huts similar to those which used to be located in parts of Edmonton as temporary housing. They were relatively clean but lacking in air circulation. They had a few circulating mosquitoes and a screen door the purpose of which seemed to be to punctuate the comings and goings of various individuals during the night.

Bedtime was invariably in the early hours of the morning - supervisors last,

No one had really slept the first night on the train on the way down and by the time we came back home sleep seemed to have been something we had left behind in St. Albert.

Food was a problem at camp and on the trains. Normal young people it seems must be fed regularly every three hours or so supplemented by snacks in between. The railway company was just not equipped to feed the large number of people travelling this summer and this meant that to eat we had to wait, and wait, and wait. At camp food was limited in quantity and at least once late-comers were just too late. Usually supper was 'meat patties' and powdered potatoes. Inevitably some pocket-money was spent on food at Expo.

However, all survived - maybe to appreciate home cooking that much more. When we consider that for \$55.00 we were provided with sleeping accommodation, food, a passport to Expo for seven days, and return bus transportation to and from Expo daily the inconveni-

ences become minor. Camps are not home.

Our first sighting of Expo came about as we travelled by bus from the station after our midnight arrival in Montreal. It was clearly visible as we crossed Victoria Bridge. Flaggingspirits revived into a chorus or two of 'Alouette' and other displays of youthful excitement.

Based on the twin assumptions that the members of our group were generally mature and responsible individuals, and that they would tend to go around in small 'pal-groups' we allowed them to wander freely on the Expo site. This worked out very well, all saw more of what they were individually interested in seeing. No one got lost having

Bank of Montreal Officially Opened

On Aug. 26 Mayor Dick Fowler cut the ribbon and declared the newly renovated Bank of Montreal officially opened. With the mayor during the ceremony were Norman Keith, district manager of the Bank of Montreal from Edmonton, and J. A. A. Tardif, manager of the local branch. Later they greeted the guests as they entered the bank.

Guests were taken on a tour of both floors of the building and served lunch. All had a piece of a huge cake decorated with pink roses, the words "congratulations" in colored icing.

Bouquets of flowers decorated the counters and a large foliage plant, a gift of the Alberta Division of the Bank of Montreal, was in the manager's office. Special serviettes were used saying "Welcome to Canada's First Bank on this special occasion". Visitors also received a folded card holding a bright new penny with the inscription "Bet you never expected a sample from the Bank of Montreal."

Special guests included Mr. and Mrs. Keith, R. Crossweller, Bank of Montreal, premises manager, Mayor and Mrs. Fowler, Mr. and Mrs. William Veness and Gene Perron, the latter three representing the long-time residents of St. Albert. These guests and members of the staff were presented with corsages and boutonnieres, yellow roses for the lady guests and white chrysanthemums for the staff.

In a list of staff members of the Bank in the last Gazette the name of Mrs. Glenda Hewgill was omitted.

Y.E.S. or no

As the Youth Employment Service draws to the end of its first summer it is trying to decide if it should carry on for the winter months or not.

The service was started at the close of the school term in June when 200 high school students registered for summer employment. Phones were manned three nights a week and over 100 jobs were found from babysitting for one night to jobs of several weeks duration.

If this service is to continue different arrangements are to be made. Children could pay a suggested registration fee of 50¢ for a six month trial period. The phone has been moved from the Town Hall but calls could be made to the homes of Mrs. W. Mirlin or Lori Galloway.

Mrs. Mirlin has asked the Gazette to assist the service by asking those who wish it to carry on through the winter months to phone Lori at 599-6598 between the hours of 10:00 a.m. and 8:00 p.m.

Junior Forest Wardens

Frank Tinning, Lance Mitchel and Jamie Tinning are seen on a rope bridge at the Junior Forest Wardens camp at Jarvis Lake, near Hinton, where they completed a rigorous 10-day bush survival and forest appreciation training course, sponsored by the Provincial Department of Youth and run by the Chief Junior Forest Warden and his staff. Their day normally started before breakfast with a quick dash over an obstacle course which included, among others, crawling through tunnels, over a swamp on a rope, over water on a pulley and cable and so on. They received instruction in forest conservation, canoeing, swimming and water safety, and how to survive in the bush with little in the way of supplies and equipment. The final two days were spent up river in canoes living off the land. Any St. Albert boy interested in this type of training could contact any of these three boys. The Tinning phone number is 599-6984.

Resolutions and the AUMA

The St. Albert Town Council met on Aug. 21 at a special meeting to discuss resolutions to be taken up at the Alberta Urban Municipality Association convention and the general financial condition of the town. A brief story of this appeared in last week's Gazette. Here are the details:

Those attending the meeting were: Mayor Fowler, Councillors Bakker, Wheatley, Donalds, Gibbon and de Bruijn, Sec., -Treasurer, J. M. Fleming, M.L.A. Keith Everitt, J. X. Woodroffe,

Edmonton Regional Planning Commission; and Recording Sec., Mrs. J. Mustaklem. Council discussed resolutions to be submitted to the Urban Municipal Committee. It was stated that with the status of Bill 50 being unknown at this time it was difficult to anticipate what should be included in this discussion. Mr. de Bruijn observed that in his opinion the Alberta Urban Municipality Association was not fulfilling its func-

The Edmonton Handibus, in co-operation with the St. Albert Knights of Columbus, are happy to report that they will be providing transportation for the St. Albert handicapped to city school facilities.

Enquiries should be directed to Mrs. J. Bertsch, St. Albert Welfare officer in the town hall.

NO QUORUM

The regular meeting of the Council of the town of St. Albert had to be called off on Aug. 28 as there was not a quorum present.

Dr. W. D. Cuts and Mr. Keith discuss the problems of the day. Flowers in the centre are white and deep purple gladioli.

Ernie Jamison, publisher of the Gazette, signs in. Mrs. Gingrich was in charge of the guest book.

Supervising Principal

The board of the Thibault R.C.P. School District No. 35 met on Aug. 1. Those present were Chairman Riopel; vice-chairman Chalfoux; trustees: Tellier, Kryskow and Krauskopf.

Trustee Tellier reported that the Certificate of Need re: Portable School was filed with the Department of Education on July 28.

The request to meet with Minister of Education was discontinued pending written request for Ministerial Approval of a Supervising Principal.

The Board will ratify written request for Ministerial Approval for a Supervising Principal.

been given a basic orientation and an introduction to the simplicity of the rail transportation system.

The Fair itself needs no description here. Enough to say that it proved such a magnet that it was almost impossible to find anyone willing to leave it for a day to visit Ottawa or Quebec. The reasoning being that these could be visited in future years, the Fair was now. Mrs. Koroluk did manage to get several of our group interested enough to spend a day in Quebec City. This was apparently an excellent guided tour and included a visit to the legislative buildings and the Plains of Abraham.

We seem to have been fortunate at Expo in that none of us stood in particularly long lines at any pavilion. All probably visited at least 35 pavilions. The favorite? Great Britain probably, although others such as the Bell Telephone building, or Man in the Community, or Mexico would have to be high on the list.

One or two of the boys with an eye for such things were particularly impressed by the sculpture and the free-form art works which are scattered throughout the

WELCOME WAGON

A hearty welcome is extended to new St. Albert residents.

Mr. and Mrs. David Byrne and family; Mr. and Mrs. Gordon Willas and family of the Grandin Park area, Mr. and Mrs. Ralph DeWolfe and family; Mr. and Mrs. Richard McIntosh and family; Mr. and Mrs. Mike Nychyporuk and family; Mr. and Mrs. Duncan Robinson and family; Mr. and Mrs. Max Smolmy and family of the Sturgeon area, and Mr. and Mrs. Wally Glimm and family of the Braeside area.

So, apart from a visit to the Fair what did the trip accomplish?

Consider:

- a number of the students earned and saved all or part of the money for the trip.

- for most, accustomed to holidaying by family automobile, it was their first trip in a train. I think this gave them a new perspective on Canada.

- for most it was a first contact with French-Canada. It is true that we live in, or on the edge of a part of French-Canada but how many of these young people have any real contact with it? Some were even brave enough to try out their high-school French!

- from an instructional point of view, the Fair was worth a thousand classrooms. Too bad we can't locate a piece of it permanently in St. Albert.

- it was fun. Surely a major reason for the trip was that these young people should enjoy themselves. This they did - or at least I haven't heard any dissenters.

This was a fine group to travel with, adaptable, cheerful, and generally mature enough to handle the responsibilities given them. I'm sure that my fellow supervisors - Mrs. Koroluk and Mr. Fairbairn - would agree that almost without

Bonus Award

Two St. Albert residents Bob Russell and Mrs. Theresa Bourgeois of Weber Bros Agencies Ltd., were given bonus cheques at a company dinner honouring employees who had earned bonuses during the first half of 1967. Len Gudlaugson vice-president of the company made the awards and praised both Mrs. Bourgeois and Mr. Russell for their outstanding performance in home sales in the St. Albert area.

Weber Bros sold 22 homes in St. Albert during the last eight week period and plan to increase their St. Albert staff to five employees during the next month to handle the expected volume.

exception we would travel with them again. Like, the World's Fair at Osaka, Japan in 1970?

I would like to extend 38 thank-yous to our school board members for authorizing this trip; to Mr. Hrynew, principal at Paul Kane for his support and co-operation, and to Mrs. Holman, our school secretary for helping to get the thing off the ground in the first place.

tion in pressing the Government for legislative changes as directed by the resolutions placed on the convention floor. Mr. Fleming pointed out that he had been personally involved in presenting resolutions to the Cabinet for the past three years and that all resolutions placed on the floor of the convention were submitted to the Government. The past record of legislative changes made by the Government as a result of submissions of the A.U.M.A. was a good one and indicated that the Government considered this Association an important one. Mayor Fowler stated that in his opinion the Association was doing a good job. he advised, however,

The Saskatchewan Wheat Pool has announced record grain handling for the 1966-67 grain season which closed on July 31st. A total of just over 250 million bushels was delivered to country elevators compared to a previous high of 244.6 million bushels in 1963-64.

that representatives of the Government should point out to the convention the ramifications of resolutions that are being discussed by the convention. At this point Keith Everitt, M.L.A., arrived and Mayor Fowler informed council that he had invited Mr. Everitt to meet with council during the discussion on the general financial condition of the town in order that he might be better informed on the problem of the town. Council discussed at length the general financial condition and future potential of the town of St. Albert. It was pointed out that perhaps the greatest need of the town was a clear cut understanding as to whether or not the town would be allowed to develop as a viable unit. Some items affecting this would be: The possibility of amalgamation with the City of Edmonton and assistance from the provincial government to offset the existing financial problems of the town.

It was the general feeling of all present that the answer to the questions must be obtained if the council is to be able to pursue a logical course of action for the betterment of the town.

Mr. Bakker suggested that we should call for a special meeting of the council with the Honorable E. Gerhard, the new Minister of Municipal Affairs. It was further suggested that a meeting might be arranged with the Minister of Education and the Minister of Public Works.

It was felt by council that the possible location of a second University for the Edmonton area should be pursued. Mr. de Bruijn observed that the New Town of St. Albert was planned by the provincial planning department as a satellite town designed to be a self contained economic unit. This was brought to a head when an order was placed making St. Albert a New Town under the provisions of the new town act. Therefore the provincial government has some responsibility regarding the future well being of the town. It was within the power of the provincial government to establish provincial buildings and other facilities within a town that could assist in making this community a viable unit which is the major concern of the council, now operating some ten years after the original plan was implemented.

Mr. Donais pointed out that we are supplying a labor force for Edmonton and dormitory facilities for that labor force and as such we should receive some consideration. Mr. Wheatley concurred with this statement pointing out that because we are an integral part of a metropolitan area some method should be established to provide a share of the commercial and industrial tax revenue of the metropolitan area to cover the cost of education and municipal services for the people domiciled in the town of St. Albert. Mr. Gibbon stated that he felt that we should discuss with the ministers of education and public works the matter of establishment of provincial facilities in the town of St. Albert that could broaden the tax base within the town.

Mr. de Bruijn raised the matter of Calgary Power franchise, stating that if the Town of St. Albert were not permitted to buy the power distribution system, perhaps negotiations should be conducted with the City of Edmonton to take over the franchise. Mr. Wheatley suggested that Council should authorize Mayor Fowler to discuss this matter with Mayor V. Dantzer of the City of Edmonton. The Mayor and staff will be requested to prepare a brief dealing with the general financial aspects of the Town of St. Albert to be presented to the minister of municipal affairs.

A meeting will be arranged with the Honorable Raymond Ryerson, minister of education. Mr. de Bruijn and Mr. Gibbon felt that a meeting should also be arranged with the Honorable F. C. Colburne, minister of public works. Mayor Fowler suggested that council should get together with the local school boards to keep them informed of the general situation. A resolution will be presented to the A.U.M.A. requesting the Government to institute a sales tax to cover educational purposes only, this was defeated. Council requested the secretary-treasurer to prepare formal resolutions for

submission to the A.U.M.A. dealing with the following: The sharing of gross sales of the utility companies.

A submission respecting Bill 50 based on the provisions on the brief of the Town of St. Albert.

A request for grants in lieu of taxes on property exempt from taxation. Mr. Gibbon suggested that the executive of the A.U.M.A. be requested to distribute copies of all resolutions adopted by the convention to all M.L.A.'s.

"Piron to Perron" now official

The passing of a by-law at the meeting of the St. Albert Town Council on Aug. 14 has officially changed the main street of down town St. Albert from Piron Street to Perron Street.

Those attending the meeting were: Mayor Fowler, Councillors Bakker, Wheatley, Donalds, Gibbon, and de Bruijn, Mr. J. M. Fleming, secretary-treasurer; S. L. Billings, assistant secretary-treasurer, J. X. Woodroffe, Edmonton Regional Planning Commission, A. Gate, superintendent of Parks and Recreation, J. Maandag, town engineer and

Mrs. J. Mustaklem, recording secretary.

Councillor Gibbon was appointed Deputy Mayor for the ensuing two months or until such time that a successor be appointed.

The visit and tour of the Brazeau Dam site was set for Sept. 16, at the invitation of Calgary Power.

It was not felt that the letter from the Library Board had answered the query as to whether or not the Library hours on Wednesday afternoon could possibly be changed to Wednesday nights, in order to obtain maximum usage by the young

people of St. Albert. It was referred back to Mr. Soprovich as to whether the Wednesday afternoon hours could be changed to Wednesday evenings and if not, why?

A question by Mr. Soprovich as to whether or not there were any surplus funds available for landscaping was answered that there were none left. Mr. Billings stated that after various fees had been paid there was a \$2,200. deficit.

The Library Board also will be advised that there were no surplus funds in the By-law for the construction of the Library.

The matter of Public Buildings for Kindergarten was referred to the Capital Estimates 1967.

Part III Urban Renewal Study was approved in principle and will be submitted

to the Local Authorities Board for either their approval or disapproval. During the discussion that followed this motion, Councillor de Bruijn advised that he felt that this Study should be sent to the Local Authorities Board before Council took any action on it whatsoever. It was advised by Mr. Fleming that the Local Authorities Board would not take any action until they had some indication as to how Council felt on the subject. Mayor Fowler stated that he thought Councillor de Bruijn had brought up a very good point, however, he did feel that Council should approve this in principle and

Scholarships

Alberta's Provincial Secretary, the Honourable Ambrose Holowach, has announced the awarding of Cultural Development Scholarships to a total value of \$47,500. Two hundred and twenty-five Albertans share in the Scholarships in the fields of Music, Drama, Dance, Arts and Crafts and Librarianship.

The scholarships are awarded annually on the basis of need and merit. The winners of scholarships are selected by panels of judges who base their decisions on the applicants' past performances and standards.

The 1967 total is the largest

est in the 12-year history of the awards. The largest number of awards was in Music where 88 persons shared \$15,000, while 40 persons shared the Drama scholarships with a total value of \$10,000.

Scholarships totalled \$7,500 in each of the other categories with 44 receiving Dance Scholarships, 37 receiving awards in Arts and Crafts, and 16 in Librarianship.

St. Albert award winners are: Miss Patricia Morris, 10 Grosvenor Blvd., a \$100 cultural development scholarship and Miss Shirley-Mae O'Neill, 41 Spruce Crescent, a \$75 dance scholarship.

Patronize these progressive St. Albert Merchants

The St. Albert Gazette, bearing in mind its pledge to be the "community minded newspaper", is offering St. Albert merchants an exclusive promotional campaign entitled ... "PATRONIZE THESE PROGRESSIVE ST. ALBERT MERCHANTS". We have come to realize the very difficult problem faced by every businessman in the town of St. Albert in being located so near to a large metropolitan centre. Our customers loyal as they may be seem to prefer the four mile drive to the city to do most of their shopping even though the same products and good service is available right here at home.

We feel that it is the duty and responsibility of the local newspaper to encourage a growing business community as well as to provide honest reporting of events and problems. The mutual ends of editorial and advertising can be most effectively met if both the business community, and the newspaper co-operate to the greatest possible extent in the promotion of our community. To this end then we are offering the following.

A twelve time promotional supplement to the Gazette starting August 30 and running to December 20, 1967. This is the most lucrative trading period for most businesses, and is the time of heaviest national and retail advertising. To take advantage of this we have organized an efficient and we hope effective advertising campaign, which is open to St. Albert merchants only. Each campaign date will feature a seasonal format (the August 30 edition for example will carry the "Back to School" format). These formats will be selected from the art services that the Gazette subscribes to. If you are considering this campaign please remember that we are not asking for contracts for the twelve time campaign, and we would prefer to allow you the advantage of selecting your own ad size and location. We will be calling on every St. Albert Merchant Monday or Tuesday of the Wednesday before the campaign date, and the decision to participate will be made at that time. In addition, the front page of the supplement will feature one business, with a three column by four and half inch picture of the manager and staff, and a short statement regarding the business that is offered.

The campaign dates are as follows: AUGUST 30, SEPTEMBER 15 and 27, OCTOBER 11 and 25, NOVEMBER 8, 15, 22, 29, DECEMBER 6, 13, 20th.

If you are interested in this campaign please call the GAZETTE at 599-7144, and I will be very happy to discuss the programme in greater detail with you at that time.

then send it to the Local Authorities Board.

Regarding the Pentecostal Church, Mr. Maandag advised that in discussion with Mr. Onishenko he was advised that perhaps this site was not suitable and that they would prefer to negotiate with the Real Estate Company for a site further south on that property. Mr. Maandag stated that the figures he had verbally supplied to Mr. Onishenko were only preliminary estimates. Mayor Fowler asked if they were being charged for services which were already in and he stated that it was very important that there was no overcharge. Council felt that this matter should be investigated further and it was referred to the Public Works Commission.

Appeal against decision of Development Control Officer from Mr. Mormyluk was allowed.

Appeal against decision of Development Control Officer by Mr. Holland who in 1965 had erected a patio and fence and at that time he was given verbal permission by Mr. Roberts and Mr. Maandag to build a garage with the entrance from the side instead of from the front. He therefore spent \$1,800 for landscaping and the patio. This year when he applied to build the garage it was rejected. Even though the garage would not be 15' from this side yard, it would be located 18' from the curb and would, therefore, not be an obstruction.

This appeal will be allowed.

The setback of Duplex - S & S Homes would not conform to the requirements. Also Council felt that this is not really a particularly large lot; there is no space for a garage on the sides and when they are built in the back it leaves no room for a lawn. Mr. Woodroffe suggested that perhaps Council could allow this appeal on the condition that the lots next door be told that a single dwelling would not be built there and thus give them time to appeal. This was denied.

Mr. Albrecht stated that the setback of Oakland Homes was not the required 30' and that instead of having 1,000 sq. ft. of living area there was only 936 sq. ft.; however an attached garage would be built with the house. This is the last lot on the street and is a filled lot - on this basis Council decided to consider an appeal for this defective lot and allow this appeal.

By-law No. 27/67 to amend By-law No. 19/65 was passed to provide for the protection of parks and to regulate the conduct of persons therein.

Councillor Gibbon brought it to the attention of Council that the light standard between Geneva and Gladstone has not yet been installed and wanted to know when this will be accomplished. He stated that there are some prowlers in the area and that people are concerned. Mr. Maandag was instructed to pursue this matter. Mr. Fleming will

look into the matter of a rebate.

He also stated that at various times in the past week street lights in the vicinity have been out. He was informed that this was probably caused by a failure in the photo - electric cell.

Councillor Gibbon has received a call from Mrs. Morley, 13 Salina, who feels that the boulevard in front of her home should be completed, especially in view of the higher mill rate. Mr. Maandag stated that this will be completed this year.

He has also received a telephone call from Mrs. Stacey, 15 Salina, regarding restrictions to a fence. He stated that he would talk to her further to find out exactly what the problem is.

Councillor Bakker enquired as to the procedure one should follow if you are not a member of the Tennis Club in order to be able to play on the tennis courts. Mr. Gate informed him that this would be covered in the next issue of the Gazette.

Recreation News

Most pools close after the Labour Day weekend, but St. Albert will remain in operation until the weather makes it impractical to keep it open. However, a change in schedule is necessary. From Aug. 28, there will be Public Swimming from 1 p.m. - 9 p.m. during the week. On Saturdays and Sundays, there will be Public Swimming from 10 a.m. - 4:30 p.m.; Family swimming from 6 p.m. - 7:30 p.m. and Adult swimming from 7:30 p.m. - 9 p.m.

There is a possibility that the pool may close from 5 p.m. till 6 p.m. on weekdays. This will depend on whether it is found that attendance at that time drops below a certain figure. The public is advised to check the notice board at the Swimming Pool or phone the Department of Parks and Recreation at the Town hall for information regarding time.

Fall & Winter Programs
Groups and Clubs are reminded to get in touch with the Department of Parks and Recreation regarding their need for facilities and assistance for their forthcoming programs. The department would like to hear from those interested in coaching or teaching or in any way participating in the recreational programs. Suggestions as to how the Department can best serve the citizens of St. Albert would be very welcome; call in, phone or write.

Phone 599-6601.

P. Cavill H. Cuts United

Strathearn United Church, Edmonton was the scene Aug. 26, for the wedding of Patricia, only daughter of Mr. and Mrs. Leslie Cavill of Edmonton and Harold, elder son of Dr. and Mrs. W. D. Cuts of St. Albert.

Attending the bride were Mrs. Marjorie McMullen, matron of honour, Misses Elaine Cuts and Janice Denby, bridesmaids, Donald Cuts, brother of the groom was best man and Messrs. Stephen Ladan and Reid Seidnar groomsmen.

Following the ceremony a reception was held at the Club Mocombo, where Mr. Ron Gaunce was Master of Ceremonies. Mr. A. Stuart Byrd proposed the toast to the Bride, in which he referred to her distinguished scholastic record and told of the artistic talent which led her to study in the Fine Arts Department of the University. This was further displayed in that her wedding gown, of white slipper satin and lace, was made by the bride herself, as were the matching gowns of her attendants. In apple green

satin and lace. The bride carried red roses and the attendants bouquets of white chrysanthemums.

Mrs. Cavill wore a two piece ensemble of printed silk in green and tawny tones designed by herself. Mrs. Cuts chose a lace suit in old rose with matching accessories.

After the more formal reception the wedding party and guests adjourned to the Cuts' residence where festivities were held indoors and later around one of the large bonfires for which the Cuts are noted. Everyone joining in games and singing making an unusual but truly delightful ending to a lovely day.

Corrected

Minutes of the meeting of the Town Council of Aug. 14 were approved at the Aug. 21 meeting. A correction was made. It was councillor Donalds opposing a motion in the "arena and budget" story carried by the Gazette. In the original minutes it was reported that Councillor Gibbon and Councillor Bakker were opposed.

At a meeting of the Agricultural Service Board held on Aug. 1, Angus McDonell stated that he had made some inquiries on the cost of constructing cairns

and the inscription of plaques. He informed the board that a greystone with marble facing 3' 6" wide and 6" thick x 8' 2" high with approximately 100 names en-

graved would cost in the vicinity of \$775.00. A stone cairn 5' 9" high, pyramid shape 3-1/2" x 3-1/2" x 3-1/2" with a 5'x5'x5' base would

Morinville 4 - H Award Banquet

On Aug. 16 the Morinville 4-H Beef Club held its first annual award banquet in the Morinville Centre with some 80 present.

Paul Riopel, president of the Morinville 4-H Beef Club was M.C. assisted by Arthur Soetaert, leader of Morinville 4-H Beef Club and Stanley Powers, D.A. for the M.D. of Sturgeon.

Seated at the head table were Mr. and Mrs. Arthur Soetaert; Mr. and Mrs. Norman Chalfoux, representing the Town Council of Morinville; Miss Linda Schneider secretary of the Morinville 4-H Beef Club and the only girl member; Keith Everitt, M.L.A. and Mrs. Everitt; Mayor and Mrs. Elmer Brennan of Bon Accord and Mr. and Mrs. Stanley Powers.

The president, Mr. Riopel in his report, gave a detailed account of accomplishment achieved in the first year of the Morinville Club. "The most cherished and outstanding results of this year's work" said Mr. Riopel, "was the mutual understanding among members."

Miss Linda Schneider, secretary, then gave her annual report (This appears elsewhere on this page). She then thanked the leader and members of the adult committee for all the help received.

Councillor Norman Chalfoux brought greeting from the Town of Morinville and congratulated the members and parents for their splendid achievement and good contribution to the community.

Mr. Everitt brought greetings and congratulations on behalf of the Alberta Government "There are 4,466 4-H members and 237 Beef Clubs in Alberta" said Mr. Everitt and every one of them are a credit to our young people and our province."

Rev. Father George Primeau, who is responsible for spurring the establishment of a Beef 4-H Club

in Morinville added his congratulations to those already expressed, and requested the services of a full time Home Economist for the M.D. of Sturgeon. "We have reason to be proud of our Morinville 4-H Beef Club, but the leader and adult committee have certainly been helped by the D.A. That is good, that is what he is being paid for. But I feel that the Clothing Club did not receive the same support, and I feel that the district needs and requires the full time services of a Home Economist. So Mr. Everitt, in your capacity as M.L.A. please convey my request to the proper authority" said Father Primeau. "Leaders in 4-H work, are leaders in the community. As leaders of young people, the young people are what we make them. We can lead them, we can show them the right way. Good leaders can lead the right way" concluded the pastor.

The next speaker was Mr. Soetaert Sr., leader of the Morinville 4-H Beef Club. Mr. Soetaert praised the members for their wonderful co-operation. He also graciously acknowledged the help received from the D.A. Mr. Powers, Mr. A. Dobson, Mr. and Mrs. A. Schneider, as no one had any previous experience in the local club. He also thanked the adult committee for their loyal support. "We all learned according to the 4-H Motto: Learn by Doing." said Mr. Soetaert. What about the future? Mr. Soetaert stated that although 17 members was an excellent club, due to the help received from outside points, more members for next year's programme, should be considered. "But more members should only be considered among those who are prepared to give in time and effort and have what it takes to continue the work so well started. This has been one of the best and richest experiences in my life" concluded the leader.

Mr. Stan Powers, after adding his personal congratulations to members and leaders, made the formal announcement of all award winners. They are listed separately on another page

Miss Linda Schneider then presented Mr. Soetaert club leader, with an engraved wall plaque, as a token of appreciation on behalf of the members of the Beef Club and the Pee-Wees.

Mr. Powers said that the sparkplug that was responsible for the establishment of 4-H Clubs in Morinville was Rev. Father Primeau. "He does make the sparks fly and he does get the job done, and the results are always gratifying".

He also gave a colourful resume of the Centennial Jamboree, held at the Edmonton Gardens, and explained how 428 members came in on "Q" without a single rehearsal. He stated that 4-H workers are big cogs in the working of democracy. "Those who take time to work or support the 4-H programme and work with young people are the corner stones, that build a sound foundation for future generations", the D.A. said.

Linda's report

The Namao U.C.W. held their annual flower show on Aug. 23. The theme of the show was "Centennial". A display was set up with items from the past.

There were several trophies to be won. The winners were: The Grand Challenge Cup for the highest score in the show, Betty Lou Kindlerman; the Rosa Samis Cup for the best dark gladiolus; Marjorie Clark; the Clark Cup for the vase of gladioli, Betty Crozier; the Speers Trophy for the novice classes, Irene Crozier.

Merrilyn Robertson was the winner of the Alice McLay Cup for the best entry by an adult in the Show. Irene Crozier won the Sarah Bell Cup as the winner in junior classes. The Albert Paul Trophy for the highest score for a 4-H member was won by Audrey Gibson. The Prize by Mrs. Collinge for the best decorative display was won by Debby Yeske. The Mrs. Fred McLay Memorial Trophy for the vase of flowers with 4 or more varieties went to Marjorie Clark. The Mrs. W. F. Craig Memorial prize for the best foliage plant went to Nancy Yeske. Gladys McLay was the winner of the Zachuk trophy for the best fruit display. A large crowd attended the show.

Amid the smoky squallor of heavily populated and polluted European cities and in Asia where nutritional standards are low, babies and toddlers have long been subject to rickets, a chronic disease characterized by an alteration in the structure and mode of growth of bones. It is due to a deficiency in the supply of vitamin D, which occurs in only small amounts in our regular diet unless we eat a lot of eggs and fish, particularly the liver oils. During periods of

The Namao 4-H Garden Club held a meeting on Aug. 21 at the home of Mrs. Rita Crozier. Hints and advice were given concerning the project books, canning and showing of the displays for Achievement Day. A demonstration, "Flower Arranging made Easier" was given by Carol Crozier and Louise Huber. The information that the girls presented to the other members was to come in handy to use on Achievement Day. It was decided that members and leaders wear Klondike Dresses to the Achievement Day to fit the theme.

rapid growth, the needs of infants, adolescents and pregnant mothers may outstrip the available supply.

Fortunately we in northern Alberta have a cheap alternative source of vitamin D in the form of sunshine, because exposure to the direct rays of the sun

helps the skin to synthesize vitamin D and thus to prevent rickets. Only small and premature infants, particularly those fed on cows milk and expectant and nursing mothers, normally need supplements of vitamin D (in the order of 400 "international units" daily). Most

evaporated milks and formula preparations are already fortified. Over-dosage should be avoided because excess vitamin D can produce toxic symptoms such as gastric disturbances and deposition of calcium in the tissues. An adult who is sensible about diet and follows the principles suggested in

"Canada's Food Guide" does not need vitamin supplements and would be wise to beware of attempts to exploit limited knowledge on this subject.

And what would you wish for your children? A couple of hours of Albert sunshine or a dose of cod liver oil? Sturgeon Health Unit.

Krywko - Mills Wedding

Given in Marriage by her father in an afternoon wedding, Miss Margie Krywko daughter of Mr. and Mrs. William Krywko of Morinville, was united in marriage to Mr. Gary Mills, son of Mr. and Mrs. Alan Mills of Alcomdale. The double ring ceremony was performed by Rev. T. Beacon in Norwood United Church in Edmonton, Aug. 19.

The bride chose a heavy corded silk bridal gown in A-line style trimmed with heavy Gulpure lace insertions. Self material, with lace edging, formed a cathedral train from the waist. The gown featured a plain sweetheart neckline with lace trimmed bell elbow sleeves. Her shoulderlength veil of French net was held by a white flower encrusted with crystalline and seed beads. She carried a cascade bouquet of pale yellow and cream roses with white satin streamers.

Her three attendants, Mrs. Laura Mills, matron of honour; Miss Katherine Krywko, sister of the bride; Miss Joanne Peterson of Edmonton, all chose identical gowns of turquoise blue silk. Their hair ornament, were bands of pale yellow flowers. Each carried a cascade bouquet of miniature yellow tinted carnations.

The groom was attended by Mr. Marshall Mills, a brother, as best man. Others were Jim Krywko and Larry Proule of Edmonton. Ushers were Mr. John Krywko and Mr. Raymond Mills.

Following the church ceremony, a reception banquet and dance were held in the Morinville Recreation Centre. Some 260 invited guests attended. Mr. Ed. Borle of St. Albert was M.C. Mr. Al Krywko, brother of the bride proposed the toast to the bride.

To receive her guests, Mrs. William Krywko chose a turquoise ensemble in a heavy lace with silk and beige accessories.

Mrs. Alan Mills, wore a blue silk ensemble with white accessories. Both mothers, wore pale yellow roses en corsage.

For her honeymoon, a motor trip to the west coast, the bride changed into a lime green suit and white accessories.

Mr. and Mrs. Gary Mills will reside in Westmount, Edmonton upon their return from their wedding trip.

MR. AND MRS. ARVIN SCHNIRER.

Bergevin - Schnirer Wedding

Legal's St. Emile's Church was the scene of the recent wedding of Miss Jeannette Bergevin and Mr. Arvin Schnirer. The bride is the daughter of Mr. and Mrs. Archille Bergevin of Legal. The groom is the son of Mr. Egnac Schnirer and the late Mrs. Schnirer of Busby.

The double ring ceremony was performed by Father Houde before an altar banked with baskets of gladioli and white chrysanthemums. The altar boys were Robert and Raymond Pelletier cousins of the bride.

The bride given in marriage by her father, chose a gown of billowy white chiffon over taffeta, with lace appliques, and simulated seed pearls that trimmed her peek-a-boo skirt and shoulder train, a fitted bodice and long lily point sleeves. Her veil was held in place by a high aurora borealis crown. She carried a cross shaped bouquet of red roses, lilies of the valley and ribbon streamers with rosebuds.

Matron of honour was Mrs. Colette Conlon, sister of the bride, bridesmaids were Miss Alice Bergevin and Miss Lorraine LaFramboise, identically dressed in floor length gowns of deep pink peau de sole d'elegance, empire waist with detachable panels gathered at the waist. Crystal tiaras were worn for their headpiece. They carried cross-shaped bouquets of tinted pink carnations.

The groom's attendant was Otto Schnirer, best men were Guy Bergevin and Bernie Clement.

The wedding music was played by Miss Rachel St. Martin and soloists were Mrs. Gerry Caouette and Mrs. Raymond Titteryn.

The ushers were Terry Conlon and Charles Rautio. For her daughter's wedding Mrs. Bergevin chose a vivid blue dress with matching accessories and pink roses en corsage.

For her brother's wedding Mrs. Rautio chose a pink chiffon dress complimented by a corsage of white roses.

A reception for some 225 guests at the Legal Community Centre with Mr. Keats as master of ceremonies. The bride's table was centred with a three tiered wedding cake. Len Lamarche proposed a toast to the bride.

Out of town guests came from Michichi, Slave Lake, Calgary, Kelowna, B.C., Beaverlodge, Morinville, Vimy, Edmonton, Alcomdale, Busby, Thorhild and Lenaria.

Registration of children in this age category will be subject to a probationary period during which the staff will evaluate the readiness of the child for the Grade One program. The decision of the teacher and the principal will be final.
